About Us

African Cotton Industries

African Cotton Industries has been in the manufacturing, supply and distribution of fast-moving hygiene brands across the region for over 50 years. Our motto, 'caring for you with a tender touch' is our founding purpose, where we believe in the power of care. More than just a word, we aim to foster care across our organisation, driving our passion and innovation, the basis for building quality and value across our products and allowing our customers to trust in our brands and what they stand for.

Trust from you, our customers has built what African Cotton is today. Our brands exemplify quality, value, and our organisation; with over several hundred employees across Nairobi, Mombasa and Kampala (Uganda), strive to exceed our customer's expectations in all that we do.

We see ourselves touching people's lives, with millions of East Africans using and interacting with our products each and every day. Tena® a brand of tissue products being

the number one high end tissue paper in Kenya; Dove® a brand of cotton wool products being the number one choice across hospitals to African Cotton partnering with the Ministry of Education to supply Flora® a brand of sanitary pads, to over a million underprivileged girls over the past few years; we have built brands that touch lives!

Through employment and opportunity, African Cotton directly and indirectly supports thousands of people who help deliver on our purpose and promise. Through this ecosystem of creating shareholder value from internal and external customers, where we fulfill our obligation as a responsible member of our society, supporting dozens of worthy causes at any given time, from health to education.

African Cotton Industries is a recognized member of Kenya Association of Manufacturers (<http://www.kam.co.ke>) and Federation of Kenya Employers (www.fke-kenya.org).
